

# Life Group Agendas

The following Agendas will guide your group through a practical study of the Old Testament Books of

## Ruth and Esther

Theme:  
“Growing Together”

These lessons are designed to assist you in bringing your Life Group into a deeper walk with the Lord. Each lesson deals with a very practical issue pertaining to our daily spiritual journey. The studies will help your Life Group members to grow in Christ and to address important character issues.

**Note to Leaders:** As you work through this series of lessons seek to activate the material by involving your Life Group in different types of group outreaches, activities, etc. Also plan to use this as a stimulus for multiplication of your disciples.
