

Prayer Ministry

As we move ahead this year in keeping with Pastor Jerry's Vision ('Sanctify yourselves - tomorrow the Lord will do wonders among you' Josh. 3:5) we understand that prayer is a key component.

Prayer is at the heart of intimacy with the Lord Jesus. One way we sanctify ourselves is through prayer - we set ourselves apart for God. Prayer changes things - prayer changes us. Prayer changes the circumstances around us. Through prayer the impossible becomes the possible.

The Lord desires to do more than we could ask or imagine. The TLC Prayer Ministry is praying and meeting regularly to **move** prayer forward - desiring to build up walls of protection around the Church, families and nations, and seeking open doors for blessing and the Gospel - ultimately that His Kingdom should come and His will be done.

To this end the TLC Prayer Ministry is currently in the process of training our intercessors through the "Invisible War" DVD series. This series began on March 11th and was very well attended. The series is being presented on Thursdays in the Annex from 5-7 pm at the NECK compound and on Saturdays 4:30 - 6 pm at the Jabriyia Life Center (beginning March 13th). This series is designed to equip and train our front line intercessors.

There are many more exciting things going on but one of our highest priorities is to link all the various Extension Ministries together in prayer with the City based ministry. The times of Corporate Prayer are especially sweet and there is a close association in prayer between all the various bases. These relationships are growing and strengthening in prayer. We are looking forward to seeing the glorious return of our Savior. He calls us to watch and pray until then. For any information on the Prayer Ministry please call 99767354.
